

## Centre for Skills and Post-Secondary Education

---

### WORKING SESSION

### TOWARD A BETTER GRADUATE EDUCATION AND PSE SYSTEM

Dr. Daniel Munro, Principal Research Associate  
The Conference Board of Canada

#### Instructions:

- Please identify a rapporteur and a note taker.
- **Rapporteur:** Please share key insights from break-out with the main group.
- **Note taker:** Please capture the full discussion for the Conference Board's use.
- Please return all forms to Dan Munro following the session.

#### Objective:

The objective of this working session is to gather your thoughts on:

1. What *changes*, if any, can and should be made to *graduate education* to accommodate the needs of students on *academic and non-academic career paths*.
2. What *challenges/barriers* to those changes you see and *how they might be addressed*.
3. What *changes* can and should be made to the *PSE system* more broadly, in light of the needs and challenges identified in Dr. Amrhein's presentation.

- 
1. What *changes*, if any, can and should be made to *graduate education* to accommodate the needs of students on *academic and non-academic career paths*?

**2. What challenges/barriers to those changes do you see?  
How might they be addressed?**

**3. What *changes* can and should be made to the *PSE system* more broadly, in light of the needs and challenges identified in Dr. Amrhein's presentation?**
