

# CAGS Award for Outstanding Graduate Mentorship

---

## Purpose

This award recognizes graduate faculty members with a record of excellent mentorship of graduate students under their supervision.

Outstanding mentors inspire their graduate students to be creative in their thinking, to push their research in new directions, and to make a positive impact on the future. They are essential to graduate student success – in the classroom, the laboratory and beyond.

CAGS is committed to showcasing the hard work and dedication of Canada's most outstanding mentors. We need your help to find them! We cordially invite applications for the 2019 Award for Outstanding Graduate Mentorship.

## Prize

- Official Certificate of Recognition
- Profile published on CAGS website and social media platforms
- Complimentary registration at CAGS Annual Meeting

## Criteria

Outstanding mentorship is judged on the supervisor's demonstrated ability to:

- Inspire, guide and challenge students to achieve excellence and integrity in scholarship;

**CAGS ACES**

Canadian Association  
for Graduate Studies

Association canadienne  
pour les études supérieures

- Provide a supportive environment that stimulates creativity, debate, engagement and dialogue and progression toward timely completion;
- Support students in ways that are tailored to their individual learning styles, needs and career/future aspirations;
- Encourage students to pursue opportunities to share and disseminate their research and scholarly activities within and beyond academia; and
- Support students in developing their academic and professional competencies and transitioning beyond graduate studies

## Eligibility

To be eligible for this award the nominee must:

- Hold a full-time faculty appointment at the rank of associate or full professor;
- Demonstrate a sustained record of graduate supervision at the current institution (no less than 7 years);
- Be currently active as a graduate supervisor;
- Provide a record of graduate students supervised (see details below);
- Previous award winners are ineligible

## Who can nominate

- Institutions can nominate only one individual
- The university's Faculty of Graduate Studies (or equivalent) shall have their own process for soliciting nominations and for selecting the nomination to be submitted electronically by the Dean of Graduate Studies (or equivalent) to CAGS

**CAGS ACES**

Canadian Association  
for Graduate Studies

Association canadienne  
pour les études supérieures

- Individual nominations can be made by a faculty member, program director or graduate student (no self-nominations)

## Nomination information

A nomination package must include:

1. A letter of nomination outlining the rationale for the nomination based on the stated criteria (maximum of two pages);
2. The nominee's abbreviated CV (maximum of eight pages), as well as a list of all graduate students (past and current) supervised by the nominee. The list should include the name, degree, thesis title, program start and end date, current position (if known) of supervised graduate students, as well as any awards or special recognitions received by students;
3. Two to five letters of support from current and/or former students (letters can be signed by more than one student/former student);
4. A photo and biographical statement of 100 words that can be used in CAGS communications

## Submission

Complete nomination packages must be submitted electronically in a single file with materials ordered as listed above to [info@cags.ca](mailto:info@cags.ca). Please include “CAGS | ACES Mentorship Award” in the subject line. Nomination submissions must be timestamped no later than 5:00 PM (EST), 15 February 2019.

For additional information and profiles of previous award winners, please visit our website: <https://cags.ca/outstanding-graduate-mentorship/>.
